AL-IRFAN
SECONDARY SCHOOL (CBSE)
RESIDENTIAL & DAYBOARDING

Run under the aegis of
Al-Hira Educational and Welfare Society
successful completion of 30 years of serving the community

Developing Intellectual capacities... Since 1998
From the President’s Desk

Vision is what a community needs to live with dignity and honour. Each individual should be equipped with knowledge and empowered with a strong character and motivation. These are the characteristics that Al-Irfan school infuses in its students; so that they would attain the ability to pursue a bright and clear vision for themselves as well as for their nation.

Al-Irfan is an initiative to create an exemplary educational environment that instills the same spirit of ‘We can and We will’ in the young minds.

Join us to embellish the destiny of the ‘generation next’ with academic excellence and high moral spirit.

Other Institutions Run Under The Society

- Iqra Urdu Girls High School, Aurangabad.
- Iqra Pre-Primary School, Aurangabad.
- Iqra Urdu Boys High School, Aurangabad.
- Iqra Urdu Primary School, Aurangabad.
- Falah-e-Darain Urdu Primary School, Khuldabad.
Vision
We see ourselves as a desired provider of schooling in the community which would enable young generation to be an obedient servant of God and a well-wisher of the humanity.

Aims and Objectives
The institution aims to provide value based education with a vision to enable young generation to be a servant of GOD, a well wisher of humanity along with their character building and personality development. Our mission is to impart most modern and concept oriented education to produce best citizens with strong moral base.

The institution strives to promote quality education, cultivate creativity and artistic awareness and develop great sporting values.

Faculty
Al Irfan School prides on its ability to posses few of the most vibrant, active and exclusively expert teachers in their respective Subjects. All teachers are eligible, able and capable of infusing the spirit of "We Can and We Will" in their studies. Al Irfan respects the abilities of its faculty which are class apart from all other institutions.

Our highly qualified and experienced teachers are dedicated to their job and work with the syllabus, a variety of supplementary and authentic text materials, reference books and modern technology to design lessons to meet the individual learning needs of the students. They are experts in providing learning atmosphere through e-learning technologies.
Curriculum
Education is imparted as per the syllabus of Central Board of Secondary Education, New Delhi in English and Urdu Medium. A great emphasis is also given to Islamic Studies along with overall personality development as per the planned syllabus.

Apart from compulsory subjects, we offer rigorous training in Arts, Physical Education and Computer Training.

Co-Scholastic Activities
We have our eyes set on overall development of the students. Thus, the school gives equal importance to co-curricular activities, physical education, sports and games.

To encourage our students, we perpetually organize personality development programs, celebrations and festivals, arts, literary and sports competition, etc.

Students are motivated to take part in numerous Speech, Elocutions, Debates, Essay (written), Qirat and Azaan Competitions to strengthen their power of expression (verbal and written).

We also expose our students to modern trends with field trips and school excursions to different places of educational and progressive importance.

Diverse competitions like painting, coloring, performing arts etc. are organized in the school on various occasions and students take due responsibility to organize such cultural events weekly.
School Schedule

The school punctually follows a precise, all-season, round the clock schedule which is strictly maintained by one and all in the campus. This alert system provides us the opportunity to nurture the young generation and perpetually keep track of their progress.

To ensure perpetual and consistent progress of all the students, individual progress is monitored through regular class tests and tutorials with teachers. This also aids all the students to have opportunity to progress quickly and meet their learning goals.

Distinctive Features that keep us class apart from the rest With so many Educational institutions in Maharashtra, we understand that choosing one for your loving ward can be a very challenging task. We give you numerous reasons to choose Al Irfan Residential School; here are just a few:

Educational Infrastructure and facilities

Al Irfan School has high quality educational infrastructural facilities and congenial atmosphere which contribute the development of the educational standards. To nurture our students, we provide the following facilities:

- Unmatched quality of teaching for overall student development
- Exceeding expectations from major inspection bodies
- Supervised studies and guidance
- Aptitude Tests and IQ analysis
- Latest assessment system to analyze the level and progress of the students
- Only institution with CBSE accreditation for English, Semi-English and Urdu Medium options
- Individual attention and personal study plan for every student
- Well-equipped modern science laboratories (Physics, Chemistry, Biology & Maths)
- Computer lab with broadband internet facility
- Spacious classrooms with modern technology including interactive whiteboards in the majority of our classrooms powered by Smartclass
- Continuous Teacher Orientation programs to update our key resources i.e., our teachers
- Use of TV for enhancing the knowledge base of the students along with recreation
Physical Infrastructure

The society is fortunate to have a large campus at Khuldabad which is spread across 17 acres of land with state-of-the-art physical infrastructure including:

- Fantastic location in the outskirts of Aurangabad! Just a few minutes from the historical locale of Khuldabad
- We get students from different states of India, giving them a chance to understand National diversity and supremeness
- Outstanding facilities including well-stocked student resource centre (library) containing 15000 books, numerous CDs and cassettes and 75 periodicals
- A cafeteria with plenty of seating and freshly made meals
- Exciting social, cultural and sports programs and activities
- Spacious Football, cricket & Volley ball play grounds with gardens
- On top of all, Beautiful Mosque dedicated for the students to offer their religious duties in congregation
- Well furnished Hostels (Dormitories) for the residential students
- Spacious and well equipped Auditorium
- Staff quarters inside the campus & Botanical garden, etc
- Equipped with hightech CCTV surveillance, Bio-metrics & EPBX Systems.
- 24x7 Power backup.
- UV + RO Water treatment plant.
IIT Foundation School

IIT (Indian Institute of Technology), the most sought after learning program for engineering students. The number of students taking the examination increased substantially each year with over 595,000 sitting IIT-JEE 2014. Cracking IIT-JEE means a giant step towards oceans of knowledge, which is a key to success.

Considering the dire needs to serve the Ummah with such facilities, Al-Irfan Residential School is starting IIT Foundation school with intensive coaching from the IITians who have a proven track record of pushing the admission rates higher in the IITs.

“Firm Foundation for Strong Structure”

It is an intensive batch which seeks commitment and thorough dedication – thus residential campus at Al-Irfan facilitates the learning environment at its best.

Result oriented faculty, nurturing atmosphere, dedicated management make study IIT-Foundation at Al-Irfan, the most sought after choice of the present day situation.

Al-Irfan Scholarship Program (AISP)

Finance should never become an obstacle for exceptional students. Apart from providing excellent educational facilities, Al-Irfan Residential School launches Scholarship Program for students shining in bright colors in the Al-Irfan Scholarship Exam. (AISE)

Achievements at a glance

Alumni at Al Irfan makes a long list of hundreds of students who have made their parents and the school proud by excelling in diverse fields which include engineers with 116 BE and 13 ME (GATE 2), 26 Doctors, 26 Pharmacists, numerous Entrepreneurs, Advocates and CAs.

Al-Irfan has not only outclassed in academics but has shone in sports as well. Be it athletics, table tennis, football or cricket, Medals tally by our students speaks it all. Our students have represented the school at various divisional, state and national events.

Glimpse of Medals Tally includes multiple gold and silver medals at divisional and state level and stand-out performance at National level in Football. Our students have also carved their niche in Cricket, Tennis, Judo, Athletics, Weight Lifting, etc. with 203 district level, 81 divisional, 26 state level participations in 2014 alone.

Ultimately, 2 of our students have also represented India in Sweden and Denmark for under-16 Football tournaments.
